A primary goal of the Department is to reduce housing discrimination, affirmatively further fair housing through CPD programs and promote diverse, inclusive communities. To that end, we encourage your community to take all measures necessary to ensure compliance with the Fair Housing requirements associated with these funds. A copy of your Annual Action Plan was provided to the Office of Fair Housing and Equal Opportunity (FHEO) for review. Please note that FHEO is available to provide technical assistance regarding affirmatively furthering fair housing upon your request.

Please be advised that in awarding these grants, we have not made a determination with respect to eligibility and/or compliance with the National Objectives, as applicable, of any of the activities to be funded in the Action Plan. If these funds are used to create a new activity or significantly change any existing activity, or if there is a substantial change in the priority allocations or method of fund distribution, you must adhere to the requirements of Section 91.505 in amending your Action Plan.

The grant agreements should be executed, as soon as possible and returned to Mr. Nadab O. Bynum, Director of the Office of Community Planning and Development. If you have any questions or if we may be of further assistance, please contact Ms. Xiaomin Cai, Senior Community Planning and Development Representative, at (215) 861-7654. Our text telephone (TTY) number for the hearing impaired is (800) 877-8339.
